

## Center Court Brightlands - Ector Hoogstad Architecten

<https://www.euramaxlab.com/projects/center-court-brightlands-geleen-nl>

**Architect:** Ector Hoogstad Architecten

**Location:** Geleen, Netherlands

**Sector:** Commercial|Industrial

**Manufacturer:** Alucoil

Center Court Brightlands is an innovation oriented building on the Chemelot Industrial area. Five organizations share the building; Brightlands, DSM, Maastricht University, Chemelot Ventures, en Chemelot Innovation & Learning Labs. The building is clad in aluminium panels that have been coated in a range of anodizing colors from our AnoMax range.
