

Architect: FFBK Architekten

Location: Frenkendorf, Switzerland

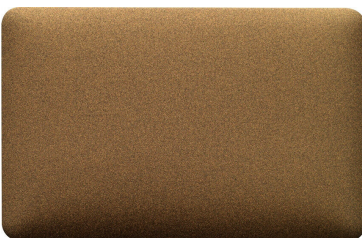

Sector: Commercial

Manufacturer: ...

This extraordinary building is the new headquarters and bakery of Läckerli Huus in Frenkendorf. The architect chose to design a Läckerli Huus tin in the traditional golden tones that reflects the long history of the company. The aim of the new building is to produce in the most environment-friendly way as possible. The facade cladding exists of single skin aluminium cassettes in multiple gold colors from our Jeweler Range.
