

## Quality Inn - Unknown

<https://www.euramaxlab.com/projects/quality-inn>

**Architect: Unknown**

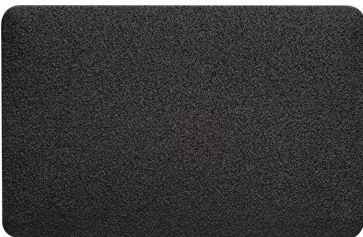

**Location: Gällivare, Sweden**

**Sector: Commercial**

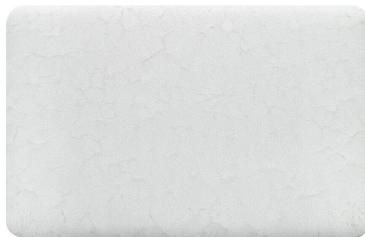

**Manufacturer: Unknown**

The Quality Inn in Gällivare is a true Nordic hotel in Sweden. In order to combine and contrast with the often snowy environment two very specific coatings were chosen for the exterior.

Clearly our glistening white structured paint resembles closely to the actual texture of snow. Very contrasting is the appeal of charcoal like black structure. A bigger natural contrast is virtually impossible.

**EURATEX - GRAPHITE  
BLACK**

**EURATEX - DESIGN MICA  
GLISTENING SNOW**

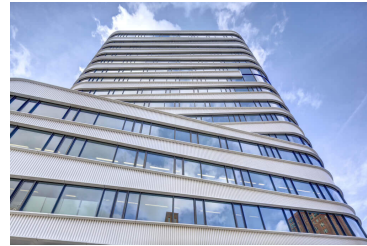

**Traditional Standing Seam -  
T style**
