

# Clarion Hotel - Spacegroup

<https://www.euramaxlab.com/projects/clarion-hotel>

**Architect:** Spacegroup  
**Location:** Trondheim, Norway  
**Sector:** Commercial  
**Manufacturer:** Alucoil

This hotel is an architectural landmark and a Trondheim attraction. The building embodies innovative solutions in design and art, as well as setting a high standard for energy efficiency. The aluminum painted 3-dimensional crystalline shapes in the lobby give associations to ice formations.
